**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

The mission of Ware Shoals Primary is to provide high quality educational experiences in a nurturing environment and to encourage successful, responsible, and productive citizenship. Highlights from this year include:

**Academic Excellence:** We challenged students academically through enrichment programs such as Accelerated Reader, 100 Books Club, Governor's Reading Awards, and many more. Teachers provided instruction that was multi-level, thereby addressing the needs of all students. Frequent assessments enabled teachers to identify students' needs and provide appropriate instruction based on formative assessments. Students were provided with many opportunities to learn outside the classroom through field trips. In January, we began a new reading intervention program for struggling readers.

**Technology:** Students in 5K through 3rd grades work daily in the computer lab on SuccessMaker, a program that enhances academic skills. Classrooms are equipped with Internet access, and student computer stations allow students to conduct research, develop graphic organizers, as well as complete learning assignments. Streamline Video has been a great instructional resource for teachers to enhance student learning.

**Professional Development:** The faculty has been involved in professional development in an effort to continuously improve our instruction and assessment practices. We received a grant to fund a portion of a science coach's salary this year so teachers have participated in science professional development throughout the year. Teachers have implemented additional reading assessments and continue to enhance their skills in developing literacy centers and providing guided reading instruction.

**Parent and Community Involvement:** Strong community involvement has allowed us to continue our HOSTS (Helping One Student To Succeed) program. Our school benefits from the support and input of an active PTA and SIC. Quarterly Class Share Nights and agendas have provided a wealth of opportunities for parents and teachers to communicate throughout the year.

**Character Education:** The entire school is participating in the Core Essentials Program that teaches tolerance, respect, problem solving, and citizenship. Staff members have implemented the PBIS program in an effort to provide consistent expectations for student behavior. Excellent behavior has been rewarded with monthly celebrations for students who met positive behavioral goals.

At Ware Shoals Primary, we will continue to provide our students a rigorous curriculum with highly qualified and caring teachers and staff who have high expectations for student learning. We will continue to provide opportunities to increase parent involvement and work toward developing additional community partnerships as we seek to provide an excellent learning environment for the children that are entrusted to us.
